Media Consent

Consent to use photographs and images online and in school publications

We are proud of the many achievements of our pupils at Haileybury Malta and there are many activities and events in which our pupils may be involved. Photos of pupils will be used on our website, on social media and in our school prospectus to give people a flavour of school life at Haileybury Malta, to keep the school community informed about what our pupils do, and to celebrate achievements. We also sometimes publish photos of pupils in our school newsletter. In this digital age, many members of our school community use social media to stay connected with what is happening in school and, for those who don't use social media, the website is an important communication tool which showcases what we do.

We need the consent of parents to use photographs or video images of pupils in this way usually until they reach the age of 13. From the age of 13, pupils have the right to withdraw consent if consent has previously been given (by a parent when the child was under the age of 13), where we are satisfied that they are able to understand what it means to withdraw consent.

There is no obligation on you to give consent and if you choose not to give consent we will ensure that your child's photo or a video is not used for those purposes if your child can be identified from it. It may be helpful to inform your child if you decide not to give consent for any of the options below as they can sometimes be confused if they never appear in, for example, the school Newsletter. In some cases, we may take group photos of pupils and we may publish a photograph if we are satisfied that individual pupils cannot be identified from the image.

Please note that there are likely to be circumstances when we may use your child's photograph for other purposes connected with the school, where we do not require your consent, because there is another legal reason, which permits us to use photos or images of your child. For example, we keep a copy of the official school photo on our database so that we can correctly identify pupils.

Your consent will last for the duration of your child's time at Haileybury Malta. You can withdraw or change your consent at any time by emailing the school office. If you withdraw consent for your child's photo being used in any of the ways described then please note that this will not apply to previous images for which permission has already been given.
